Chatsworth Man Charged with Perjury for Submitting Fictitious Voter Registrations

VENTURA, Calif. – District Attorney Erik Nasarenko announced today that Bruce Boyer (DOB 03/26/61), of Chatsworth, has been charged with four felony counts of perjury for submitting multiple fictitious voter registration applications. Boyer made his first court appearance today and his arraignment was continued to January 17, 2025.

Boyer is accused of submitting four fraudulent voter registration forms to the County Registrar in the months preceding the November 2024 election. Each form was handwritten and attempted to register various fictitious characters to vote. Each fraudulent registration form included Boyer's home address and was signed under penalty of perjury.

“Our office is committed to ensuring that every vote is lawful and that those accused of compromising the integrity of our election process face consequences,” District Attorney Nasarenko said.

The case was investigated by the Ventura County District Attorney's Office Bureau of Investigation, after the Ventura County Clerk-Recorder and Registrar of Voters Office detected the voter registration forms and flagged them as suspicious. Senior Deputy District Attorney Tony Wold, a member of the District Attorney's Public Integrity Unit, is prosecuting the case.

Boyer was released on his own recognizance.
